

Tabriz International conference center is to be completed imminently: Tabriz mayor

Accompanying by Mohammad Sadegh Pour Mahdi, civil deputy of East Azerbaijan province governorate, Dr. Iraj Shahin Baher, the mayor of Tabriz, paid a .visit to the Tabriz International Conference Center and got informed on the process of preparing the center for the official opening of "Tabriz 2018" programs On the sidelines of the visit, mayor pointed out that due to the coordinated arrangements, the International Conference Center is about to be implemented simultaneous with the official inauguration of "Tabriz 2018 " event in the country; hence, it is necessary to provide the technical and content details of the .project faster and with optimal quality

The International Conference Center is a subconscious infrastructure for the city's cultural development, playing the role of the sustainable revenue for" .Tabriz municipality", he said

Referring to the fact that up to 12.5 million USD has been spent in various parts of the project, he said: "With the completion of the conference center, 24 .thousand square meters will be added to the cultural space of the city, which is remarkable in comparison with the city's current situation

The mayor of Tabriz noted that, given the conditions for expediting the project, the completion of the lateral sections and the installation of technical and .safety equipment should be the priority of the municipality

The main hall of the center, with a capacity of 1,400 people, is a unique cultural infrastructure in the country, designed and completed by the Tabriz .Municipality

It should also be noted that the official program of" Tabriz 2018" will be held on 25th, April with the participation of the President at the International Center .for Tabriz
