

## [Nikdel House](#)

Nikdel House

On a visit to restoration operation of historical house of Nikdel, Yagoub Houshyar, Tabriz mayor, stated that Tabriz metropolis is known as the historical and cultural city so that the city administration is obliged to pay more attention to the tourism potentials, particularly the historical houses.

He further added that the restoration and revival of historical houses are among the policies of Tabriz new urban administration. In parallel with changing Tabriz into civil workshop, we have special attention to the culture and history scopes, and we are bound to preserve all the historical and cultural works, Tabriz mayor said.

Located on Maqsudieh St., Nikdel House was built in the Qajar era and was registered in the national heritage list on 5th of August in 2003 with the number of 9470.
